COMPANY PROFILE

Cixi JinGeng Fastener Co.,LTD. is located in Cixi city, Zhejiang province, China. Being in the shore of the East China sea and the South of Hangzhou Bay Sea-spanning Bridge, this beautiful and affluent place is becoming the new hotbed for investment among China's Yangtze River Delta regions with its developed economy.

Cixi Jingeng Fastener Co.,LTD. is a private enterprise engaging in all kinds of fasteners--- Screw,expansion anchors and sorts of non-standard parts. We manage screws series products including self drilling screw,tapping screw,drywall screw,chipboard screw and wood screw, etc. expansions like wedge anchor,drop in anchor,sleeve anchor are still within our range. DIN,JIS,ANSI, ISO,BS,GB, available with material from carbon steel, stainless steel, alloy steel to brass. At the same time, we could make a variety of non-standard parts based on customers' drawings.

Professional skills creates quality products!

Under the guide of the business principle "providing best service", we have made remarkable achievements with the persistent efforts of all employees. We own a excellent team, all of whom have both professional trade knowledge and good operation ability. We could not only provide customer with international logistic solutions, but also are able to help overseas customers who aim to develop Chinese market find source of goods , inspecting goods, clearing custom and solving all procedures during import and export.

Our purpose is "To gain your trust and support with our sincerity and excellent service, thus achieve mutual benefits and win-win business relations. "

We are willing to sincerely cooperate with clients at home and abroad to create a bright future hand in hand!
